

McCain Global Safety Principles

McCain Foods is committed to conducting business responsibly. We care about the safety of our employees. We value continuous improvement in our people, our products and our business. We work every day to create the conditions and behaviors that ensure a safe workplace. Our code of conduct clearly states that we will comply with all occupational safety laws and regulations.

Our commitment to safety is demonstrated by the following beliefs and actions:

- Nothing we do is worth getting hurt for
- Safety can and must be managed
- Every injury could, and should, have been prevented
- We owe ourselves and each other a safe place to work

We are committed to achieving an injury-free workplace. In order to do that, we integrate safety into all aspects of our business and manage our affairs with the discipline that will lead to world-class performance
